ABOUT DAWN ENTERPRISES

Your friends at Dawn Enterprises take pride in their industry-leading quality and customer service. They've been taking great strides to improve their already tightly-refined manufacturing process. For you, this means OEM-quality aftermarket accessories that surpass expectations and perform above standard. The people at Dawn prefer to get it right the first time, working towards eliminating the possibility of customer dissatisfaction.

Dawn is constantly updating and maintaining their state of the art facility to stay ahead of the curve. Their workers use fresh-air respirators at the prep and painting booths. Instead of just a standard charcoal filter mask, their respirators pump in clean air from the outside of the building all day long. This results in a quicker turnaround rate and higher-quality product, due to the increased focus and comfort of the workers. Fresh-air respirators are only one of the steps Dawn has taken to re-vamp their production facility.

Also for the sanders, Dawn has purchased a brand-new 3M central vacuuming system, used in conjunction with 5-hole sandpaper. The

vacuums automatically pick up any airborne dust particles, keeping the workspace clean and free from debris. This system is well-liked by our prep and painting staff, and is just another example of how Dawn prefers to stay ahead of the curve.

Dawn has gone green with their 5 state-of-the-art painting booths – ALL permitted through the EPA. Their booths surpass anything else in the industry today, with employee and environmental safety being the number one priority. "Down Draft" airflow pulls air from the ceiling to the floor, keeping dust particles at a minimum. You can rest assured that they take all the necessary steps to make sure every inch of their facility is clean and 100% EPA compliant. An environmentally sound workplace benefits everyone - especially the consumer. All painted products are made to order, so your item is custom-produced according to your needs.

Dawn is committed to quality control. To prove this, they maintain a 100% rating with Honda, being the official equipment manufacturer of their door covers. On top of that, each item is inspected 3 to 4 times before it leaves the warehouse – ensuring your order arrives exactly how you want it. The people at Dawn Enterprises are constantly updating their facilities in order to stay up-to-date with the latest technology. Here at Dawn Enterprises Inc., customer service and appreciation is at the top of our priority list.

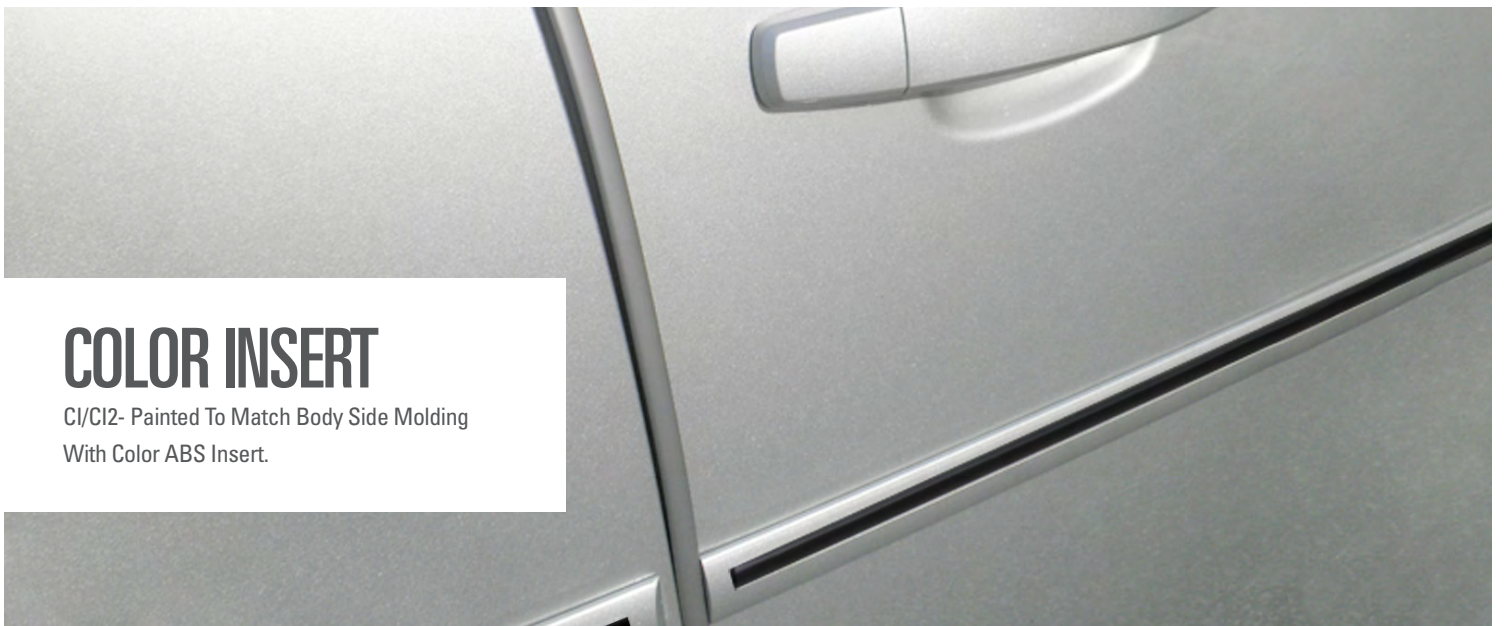

CHROMELINE

CF/CF2- Painted To Match Body Side Molding
With Triple Plated Chrome Insert.

PAINTED TO MATCH

FE/FE2 - Painted to Match Body Side Molding.

COLOR INSERT

CI/CI2- Painted To Match Body Side Molding
With Color ABS Insert.

CHROMELINE

Chromeline Molding offers both protection and flair. It features the best of both worlds – a Chrome SlimLine molding within a Painted Molding. Can't decide between Painted and Chrome molding? You can find a happy medium with Chromeline.

CF - 1 1/4" wide

CF2 - 2 1/2" wide

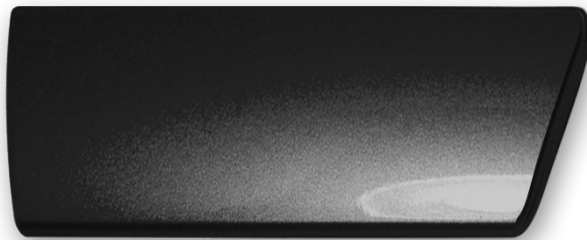

*Actual moldings may vary in size.

PAINTED TO MATCH

Painted Body Side Molding is precision engineered from a high-pressure plastic injection. Dawn's representatives will assist you in seeking out your specific vehicle's paint code, ensuring a 100% color match. Primed, unpainted moldings are also available.

FE - 1 1/4" wide

FE2 - 2 1/2" wide

*Actual moldings may vary in size.

COLOR INSERT

The Color Insert Series look great on any color of car. The Color Insert Molding slightly offsets the hue of your car door for just the right amount of balance between colors. If you're looking for serious style, but without the chrome, look no further than our Color Insert Series.

Available in:

● LIGHT BLUE 10

● BRITE RED 20

● DARK MAPLE 16

● DARK BLUE 06

● DARK RED 81

● SILVER 42

● DEEP BLUE 80

● YELLOW 82

● WHITE 13

● ORANGE 85

● CHARCOAL 40

● LIME GREEN 86

● BLACK 02

CI - 1 1/4" wide

CI2 - 2 1/2" wide

*Actual moldings may vary in size.

LOWER CHROME

LCM - Triple Plated Lower Chrome
Body Side Molding.

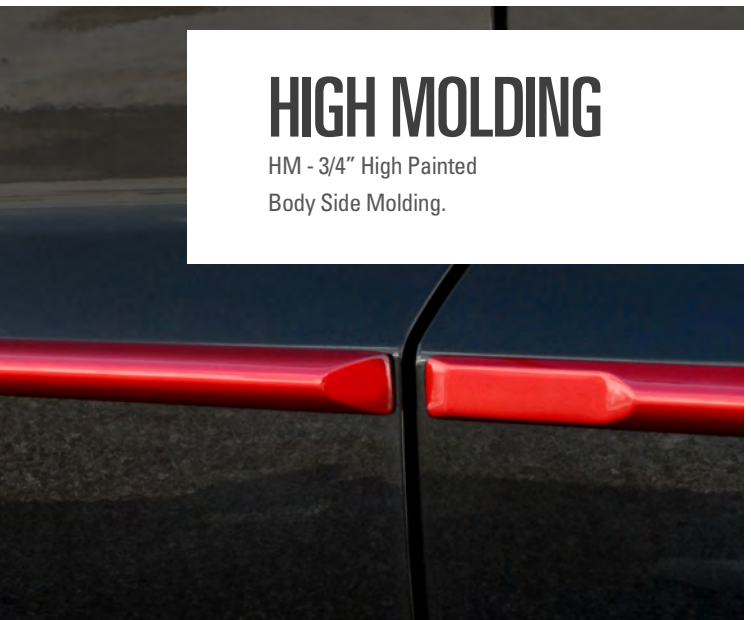

CHROME BODY

CBM - Triple Plated Chrome
Body Side Molding.

CHROME SLIMLINE

CSL - Triple Plated Slim Chrome
Body Side Molding.

HIGH MOLDING

HM - 3/4" High Painted
Body Side Molding.

LOWER CHROME

All Chrome Molding provides an unmistakable improvement in your vehicle's exterior appearance. It contrasts the color of your paint job and looks great from any angle. Polished to a shine by our team before shipping, your LCMs arrive at your doorstep ready to install in under an hour.

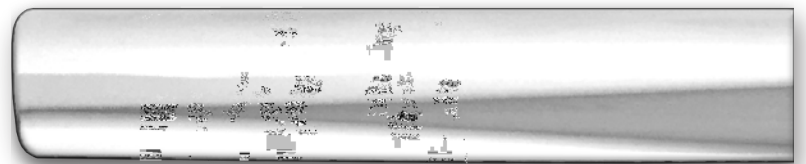

LCM - 1/2" wide (front tip)

LCM - 1 1/4" wide (rear tip)

CHROME BODY

Chrome Body Molding is Dawn's newest Chrome Molding, which is a cross between our Painted-To-Match Molding and our Lower Chrome Molding. It has the shape and protection of a mid-door application, but has been Triple Chrome Plated to perfection to a stunning Chrome finish. Our Chrome Body Molding looks great on any Truck, SUV, or Sedan and is available for most vehicles.

CBM - 1 1/8" wide (front tip)

CBM - 1 1/8" wide (front tip)

CHROME SLIMLINE

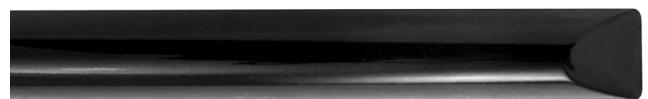

Chrome Slimline Molding sets you apart from the pack. Since it's not as wide as All Chrome Molding, it subtly contrasts the color of your car's paint job. A thin Chrome strip along the side of your vehicle is just what you need to give your ride that extra kick of customization!

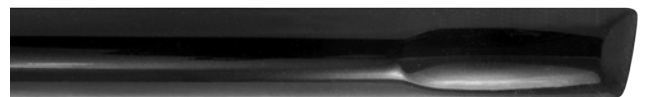

CSL - 3/8" wide (rear tip)

HIGH MOLDING

Sitting higher up from the car than original Molding, High Body Side Molding adds a sense of creativity and class to your vehicle's exterior while providing the most protection possible.

HM - 1" wide x 3/4" high (front tip)

HM - 1" wide x 3/4" high (rear tip)

TRUCK CAB SPOILERS

Add style and a unique look to your Truck with the installation of a Truck Cab Spoiler from Dawn Enterprises Inc. Our Truck Cab Spoilers have been factory tested to fit your vehicle perfectly. Truck Cab Spoilers will not cover or obstruct any existing third brake light. Manufactured using lightweight polyurethane, this Truck Cab Spoiler provides strength, stability, and will last through even the harshest of conditions. Installation is a quick and easy process. The workmanship of this Truck Cab Spoiler is backed by a limited lifetime warranty, guaranteeing that this Truck Cab Spoiler will arrive free of defects. If you're searching for a way to add a new, stylish look to your Truck, then look no further than a Truck Cab Spoiler from Dawn Enterprises Inc.

ROOFLINE SPOILERS

Roofline Spoilers are placed along the top of your rear window, just below the roof. They add a unique look to your vehicle, especially when used in conjunction with a traditional spoiler such as Flush Mount or Pedestal. Each Roofline Spoiler is OEM quality and carefully manufactured to fit your vehicle.

PEDESTAL SPOILERS

Pedestal Spoilers are positioned atop the vehicle's trunk. They rise up off of the body usually with the help of two legs. They come in a wide range of styles and shapes, and even improve vehicle stability at high speeds.

FLUSH MOUNT SPOILERS

Flush Mount Spoilers sit flat to the vehicle's trunk. They are normally smaller than Pedestal Spoilers, and sit farther back than a Lip Spoiler. Many prefer the slim look of a Flush Mount Spoiler to the larger Pedestal Spoilers.

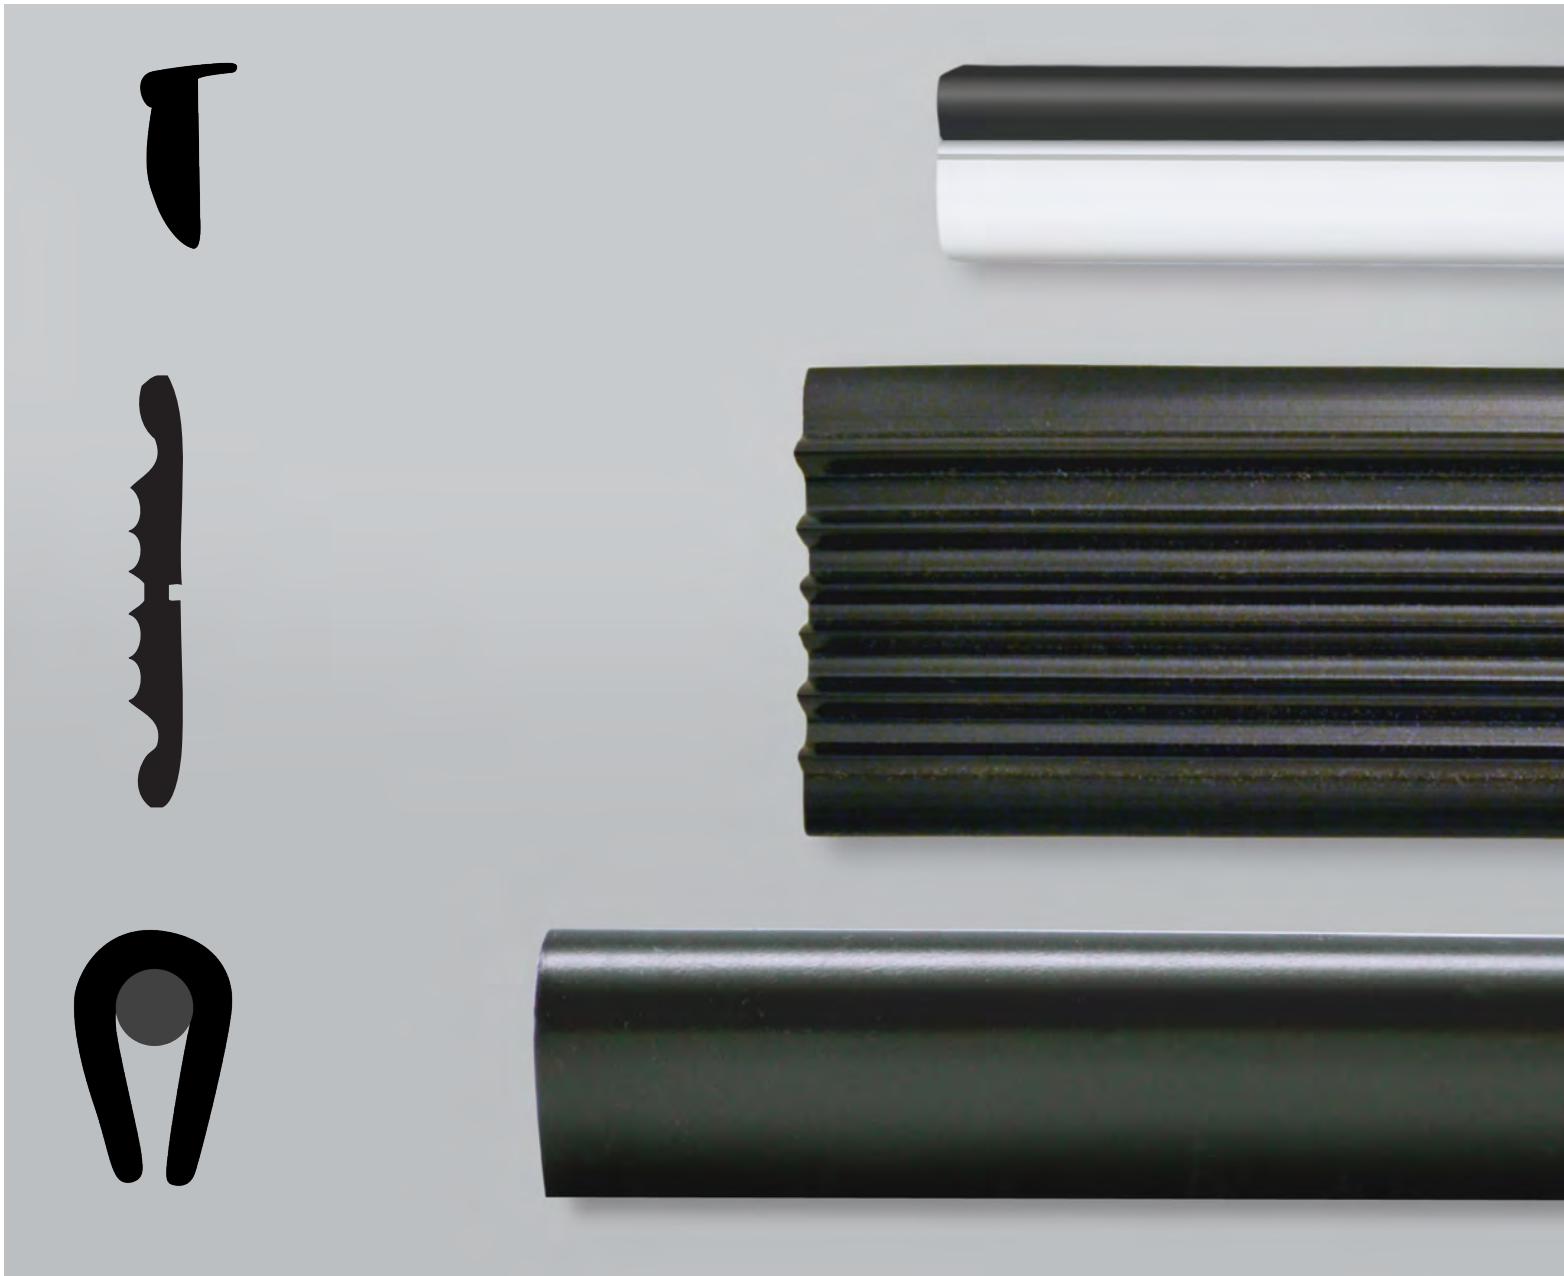

FACTORY VS. CUSTOM

With custom parts and accessories from Dawn Enterprises, you can realize your dream car, even if the factory had something else in mind. Factory accessories are often overpriced and overlooked by the original manufacturer. Many times, a brand new car will be sold without any type of Body Side Moldings whatsoever. For a cost-effective and durable solution to this problem, check out after-market auto accessories from Dawn Enterprises.

Custom parts enable you to piece together a one-of-a-kind look for your vehicle's exterior. Why follow the pack? Let others on the road know you prefer to do things your own way. Set yourself apart from the masses with specialized auto accessories at DawnEnterprises.com. You'll be surprised with our friendly customer service and unmatched durability in each product we offer.

CUSTOM EXTRUSIONS

Custom Extrusions, made from high-grade flexible PVC, can be produced for virtually any application. If there's a sharp edge, whether it is a life-sized POP Display to the steel steps on an RV, we can help to make it safe. Our design engineers have decades of experience, and Dawn's world-class quality control means you won't have to worry about receiving an incorrect or defective product. Creating Custom Extrusions is one of our specialties, and they are all made-to order based on the specific needs of your project. We can produce any shape and color you may need, including gold or chrome overlay.

CUSTOM EXTRUSION SERVICES

Whether it be a simple "U-Channel", or a more complex design, our engineers can mold any type of Custom Extrusion your project calls for. We'll work closely with you to ensure the product is delivered on-time in order to comply with your deadline. These extrusions are not painted - a custom-colored dye is used throughout the high-grade flexible PVC material. They can be used as edging for almost anything, and can be made up to 8 inches wide and beyond. Pressure-sensitive 3M adhesive is used to attach the extrusion to any surface.

BumperGuard™

REAR BUMPER PROTECTORS

Our Rear Bumper Protectors are made from high-quality polyurethane materials and use high-performance 3M Adhesive Tape for a sturdy application. Our Bumper Protectors will not only protect from future scrapes and scratches, but will also cover any previously made damage.

- Available for 100+ Vehicle Models
- Easy to Install
- Made from High-Quality OEM Materials
- Prevents Scratches and Scrapes
- Covers Damaged Bumpers
- Heat-Cold and UV Resistant

FENDERGARD™

Protective, Stylish Trim for your Fenders!

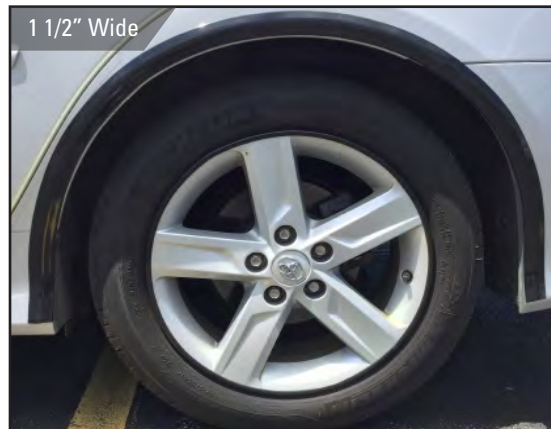

PROTECT & ADD STYLE WITH FENDERGARD™ MOLDING

D A W N ' S

ALL-NEW FENDERGARD™ MOLDING

Our brand-new FenderGard™ Molding is engineered to both add style to your vehicle and to prevent damage from other vehicles, objects, and weathering and rusting from the elements. Please call us at 1.800.548.4867 or visit our website at www.Dawn-Ent.com for more information!

- Available in Matte or Gloss Black, White, Silver, & Painted to Match
- Add Style & Depth to your Wheel Wells
- Custom-Engineered, OEM Quality
- Custom-Painted, Factory Color Match
- Prevents Fenders from Rusting
- Easy, No-Drill 3M Tape Installation

DEEP SHIELD

Deep Shield's Complete Auto Detailing Kit is the perfect all around car care kit! It includes everything necessary to leave your car with a sparkling shine, without ever having to pull out the hose. That's right, not just a waterless car wash, but also a waterless tire & wheel cleaner as well as an all around polish and sealant that replaces waxing the exterior. Deep Shield leaves a protective coating on plastics and paint that restores the color to it's original state, and it also works beautifully when detailing the interior of your vehicle.

PERFECT FOR USE ON THE GO, VOC-FREE DEEP SHIELD CLEANERS UNVEIL YOUR VEHICLE'S ORIGINAL LUSTER WITHOUT THE USE OF WATER

Simply spray and wipe to restore your surface back to its showroom finish! Deep Shield products are for use in both automotive and non-automotive capacities. Deep Shield cleaning products double as all-purpose household cleaners, and are extremely effective on glass, metal, plastic, wood, and vinyl.

WATERLESS CAR WASH

Specifically designed to be used without water, Deep Shield Waterless Car Wash is a use-anywhere cleaning product, perfect for those on the go.

POLYMER POLISH & SEALANT

Reactive Polymer Technology within the formula provides a long lasting, detergent resistant coating, protecting your paint while at the same time bringing out it's true color.

TIRE & WHEEL CLEANER

Tire & Wheel Cleaner has a sophisticated blend of emollients and gloss agents that leave your tires with a long lasting, satin smooth finish.

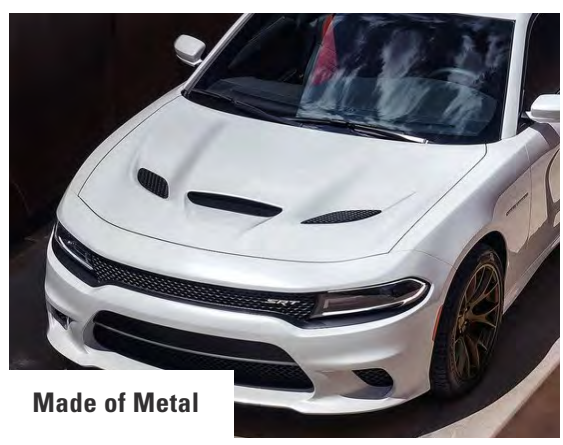

ADD CUSTOM STYLING WITH [PAINTED HOODS](#)

C U S T O M

PAINTED HELLCAT HOODS

We specialize in custom car and truck hoods. While offering a large selection of after-market hoods, we have also been adding original manufacturer hoods such as the new Hellcat hoods. If you are looking for OEM Quality Custom-Painted Hoods, look no further than Dawn Enterprises Inc.!

- **Custom-style look**
- **Mopar OEM Quality Hood**
- **Custom-Painted, Factory Color Match**
- **Available for the Dodge Charger, Challenger, & Ram**
- **Easy Installation**

Made of Metal

Painted to Match

LASER CUT TO PERFECTION

STAINLESS STEEL ENGRAVED PILLAR POSTS

Both varieties feature an eye-catching, custom-cut laser engraving highlighting the name of your vehicle's model. 3M Automotive tape is used to securely apply the Engraved Pillar Posts to your car, and detailed installation instructions are also included.

Engraved Pillar Posts let everyone know how serious you are about looking good and staying ahead of the pack. When hit by sunlight, the laser engraving is visually striking and refuses to be ignored! The quality craftsmanship speaks for itself. Give your car a truly luxurious and unique touch with a set of Engraved Pillar Posts from Dawn Enterprises Inc.

Choose from two finishes: Brushed Stainless Steel and Polished Stainless Steel.

BRUSHED FINISH

POLISHED FINISH

AVAILABLE FOR SELECT BUICK, CADILLAC, CHEVROLET, CHRYSLER, FORD, GMC, & LEXUS MODELS

CHROME ACCESSORIES

Chrome Accessories give your ride an indistinguishable makeover. There are many areas of your car that you can customize with chrome – door handles, light bezels, mirror covers, pillar posts and window trim. People will be sure to notice the high class elegance of your new Chrome Accessories. All Chrome Accessories are easy to self-install and require no professional assistance.

CHROME DOOR HANDLE COVERS

Chrome Door Handle Covers enhance the look of your vehicle and also help to protect it from the elements! It is not necessary to remove your original handles. Simply remove the 3M adhesive backing and press them overtop your existing handles.

FUEL DOOR COVERS

Chrome Fuel Door Covers are a nice chrome touch to a boring stock fuel door. Made of automotive grade ABS and triple-chrome plated, they're not going to dissolve over time or chip away. Just imagine what your ride would look like with a custom Chrome Fuel Door Cover from Dawn Enterprises!

CHROME LIGHT BEZELS

Chrome Light Bezels are a sweet addition to your ride, accentuating the unique outline of your car's light fixtures. 3M Self-Adhering tape ensures that no drilling is necessary during the quick and easy installation. Available for both headlights and tail lights.

CHROME MIRROR COVERS

Chrome Mirror Covers cover your mirrors in a chrome plated automotive-grade ABS with self-adhering 3M tape. It's easy to install, but difficult to take your eyes off of. Never settle for boring again.

PILLAR POSTS

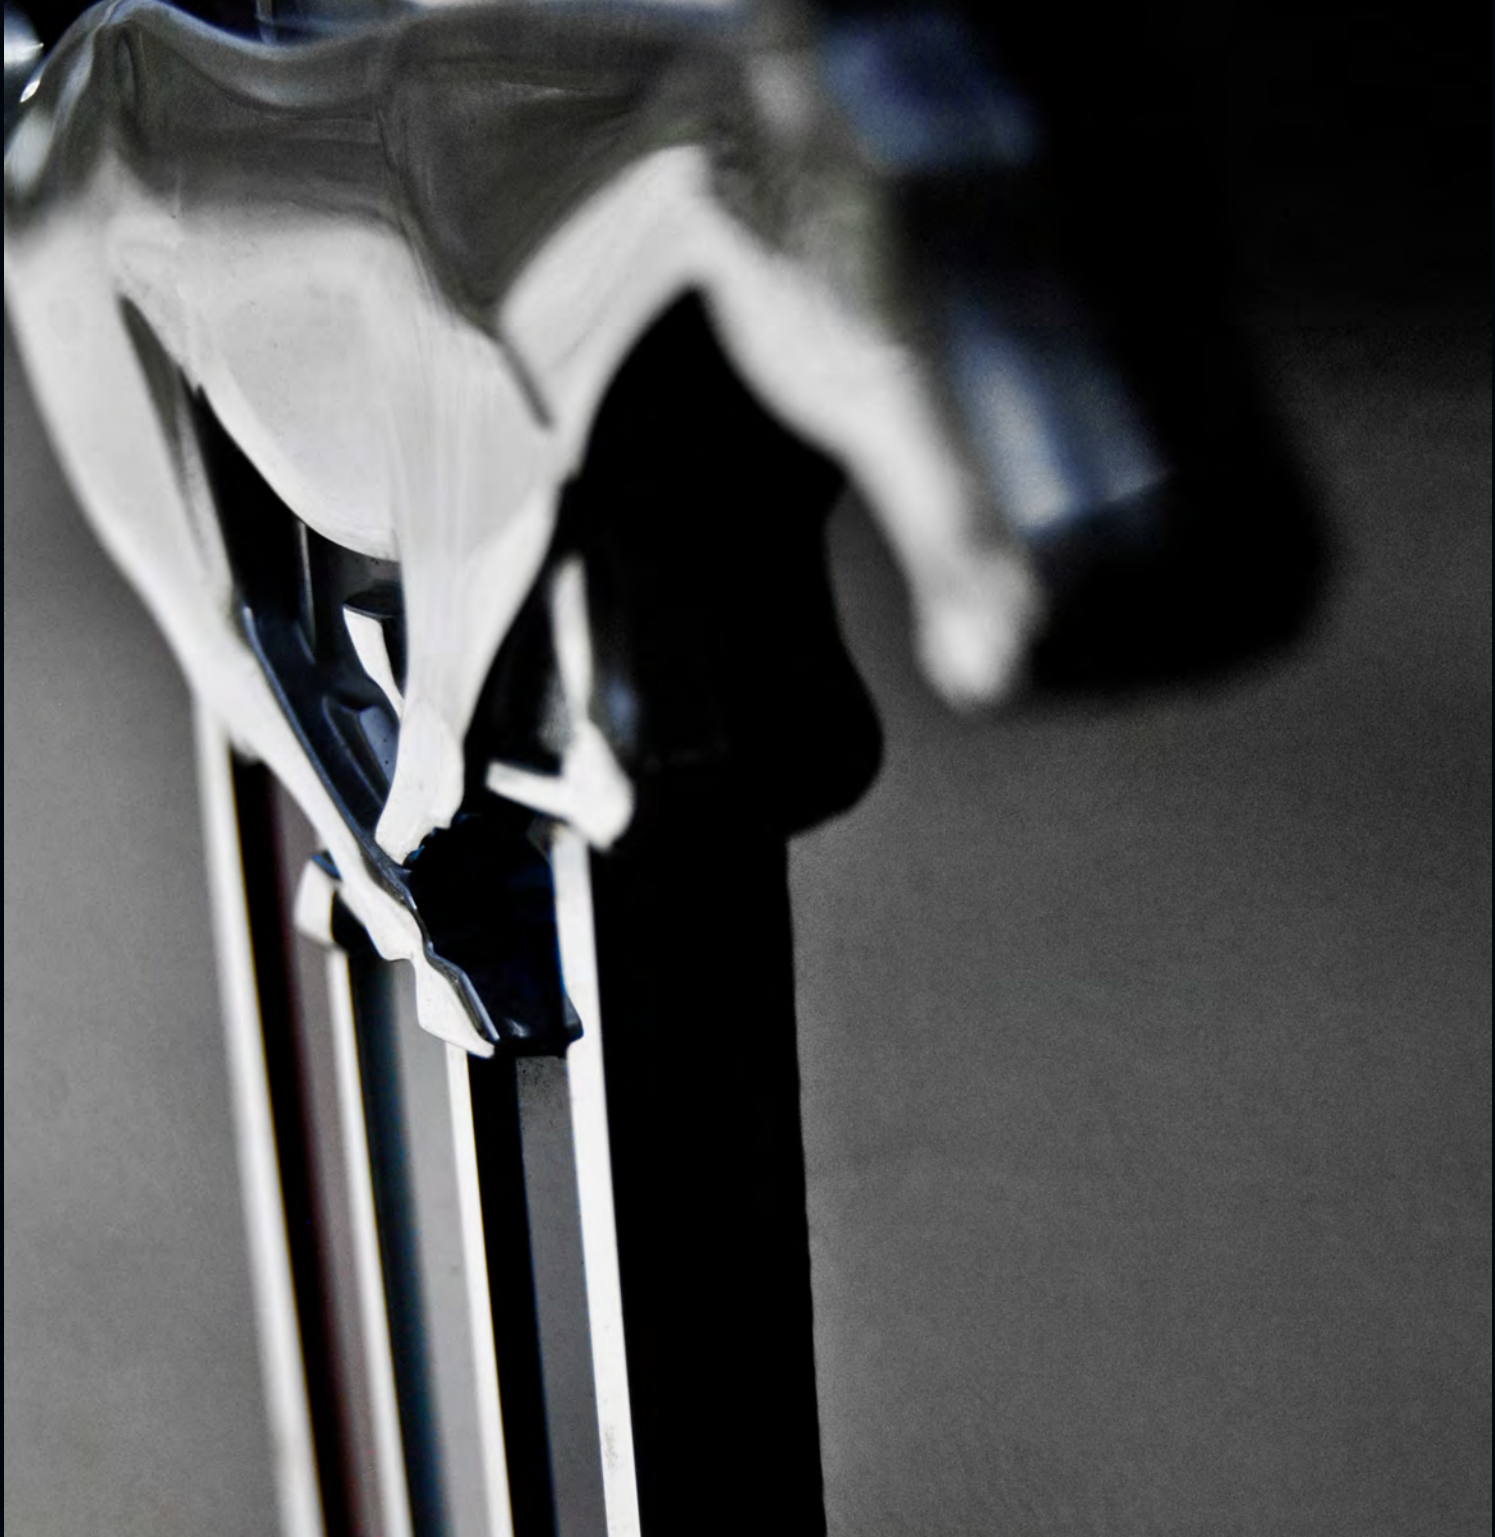

Made of stainless steel, Chrome Pillar Posts come in 6 pieces and chromify your plain factory Posts, turning them into a head-turning accessory. All Pillar Posts come with a limited lifetime warranty through the manufacturer.

WINDOW TRIM

4-piece Chrome Window Trim kits from Dawn Enterprises are a great way to add style the lower edge of your windows. 3M Adhesive Tape is included with every purchase, as well as detailed installation instructions.

ADDITIONAL ACCESSORIES

GRAPHICS KITS

Graphics Kits come in all different styles and shapes. Made in the USA, they are manufactured from a true 2-Mil Pro-Grade Vinyl and feature a 7 year lifetime. Add a unique touch to your vehicle with a Graphics Kit from Dawn Enterprises!

FENDER FLARES

Our Fender Flares are made from high quality, automotive grade ABS synthetic materials. They provide 100% UV protection without cracking, chipping or warping. Like all of our other products, they are OEM quality and precision engineered for a perfect fit onto your vehicle.

BODY KITS

Ground Effects Kits lower the ground clearance of your car, increasing grip and allowing for greater cornering speeds. They increase aerodynamics, allowing for greater control and enhanced precision while driving. Each one is OEM quality and manufactured from High-Pressure Injection Molded Polyurethane. If you're having trouble finding your paint code, give us a call at 1-800-548-4867.

CUSTOM GRILLES

Black or Chrome Custom Grilles come in all shapes and styles, giving any car an indistinguishable characteristic. We can have your design custom-cut into a Punched Metal Grille, or deliver tradition with a Mesh Grille. Billet Grilles are made from solid bar stock aircraft-grade aluminum. Some grilles may require professional installation.

BILLET GRILLE

A Billet Grille is an aftermarket accessory that is used to improve the style and/or function of the OEM grille. They are produced from aircraft-grade aluminum and feature a lifetime warranty. No cutting or drilling is necessary; however we do recommend professional installation on this product.

GRILLE OVERLAYS

Chrome Factory Style Grille Overlays snap onto your existing grille. The quick and easy no-drill installation will have you set up and ready to go in no time. Triple-chrome plated and polished by hand, each grill is measured and cut specifically according to the standards of your vehicle.

MESH GRILLES

Mesh Grilles are made of stainless steel woven mesh and designed for serious-looking upgrades. Professional installation is recommended for all Mesh Grilles. Some may require the removal of the front fascia.

PUNCHED METAL GRILLES

Punched Metal Grilles are popular on models such as the GMC Yukon. They have many small holes punched out of them to give a honeycomb-like appearance. They are the perfect choice if you don't want the look of a mesh-style grille.

GRILLE EMBLEM

A Grille Emblem can be just what your car needs to look truly official! Let everyone know you're serious about your brand with one of these great-looking aftermarket accessories. Didn't get the style you deserve when you bought that new car? We're here to help you fix that problem.

A close-up, black and white photograph of a vehicle's side panel. The image shows a door handle and a running board. The running board is a dark, textured plastic strip that runs along the side of the vehicle, providing a step for entering and exiting. The background is a light, neutral color, possibly the ground or a studio backdrop.

RUNNING BOARDS

Running Boards are there to give you an extra step when entering or exiting your vehicle. If you have to strain or stretch your body when entering your truck or SUV, you should invest in Nerf Bars, Side Steps or Running Boards. Rubber grips are attached to ensure you're able to achieve proper footing, no matter what the weather is like outside. They're also great if you have kids, as the extra step is crucial in order for them to enter the cab by themselves.

NERF BARS

Nerf Bars for Trucks and SUVs have a bigger, beefier look and feel than normal step bars. Made of stainless steel, they feature rubber foot grips on the top for added slip resistance. You'll have a reliable surface to use as a step each time you climb into your vehicle, even if it's raining or snowing.

SIDE STEPS

Side Steps are convenient helpers for entering and exiting your vehicle. Do you always find yourself jumping up into your cab, or having to take a plunge when exiting it? A set of Side Steps is just what you need.

RUNNING BOARDS

Built from rust-resistant, OEM-quality material, our Running Boards are sure to stand up against rain, snow and rocks. Even children will be able to step into the tallest trucks with our Running Boards. They'll look great after you install them yourself with the included instructions and hardware.

INSTALLATION TOOLS

ITEM	DESCRIPTION	PART #
MOLDING CUTTERS with 4" BLADE	Multi-Cut Shears w/ 4 blades	
	The Multi-Cut has a mechanical action different from that of scissors. This design combined with a razor sharp blade & an offset pivot point gives you incredible cutting ability for cutting thick & rigid materials that have density.	
REPLACEMENT BLADES 4"	Replacement blades (3) with new Anvil	MC-10P
3M TAPE	3M Acrylic Foam 2 Sided Tape 50 ft. 1/4"	2WT-AR250
